

SummerStage Donation

Please help us in realizing the mission of SummerStage: to provide an outdoor facility in Lapham Peak Park for cultural, educational and community enrichment through the performing arts.

Please note that SummerStage does not receive any funding from any state or municipal sources. SummerStage is a stand-alone non-profit organization. Tickets sales support only a portion of our operating expenses, so community support is necessary for us to continue to carry out our mission.

Thank you for supporting the performing arts in the great outdoors.
