The Chance Ensemble with Norman Gilliland

John Muir - University of the Wilderness

Sponsored by Wisconsin Public Radio, Celebrating its 100th Year on the Air

August 27, 2017 ~ 6:30PM

Adults \$17, Seniors/Students/Military \$15, Youth \$8

With WPR's Norman Gilliland narrating, Muir's own words provide the unifying thread in this transformative production which embraces the long standing tradition of bringing the inspiration of the natural world to the concert hall. In this performance, Muir's writings are celebrated, reflected upon, and reinforced by an accompanying score of nature-forged new music. The ensemble describes their musical landscape as "a place where contemporary, classical, and Celtic music beautifully collide, bringing a drink of pure 19th century water to a 21st century thirsty for nature's inspiration."
